O.E.M. HARDWARE

Hard to Find Fasteners Our Specialty

J.I.S. SMALL HEAD CAP SCREWS

J.I.S. B1180 • Steel • Heat Treated • I.S.O. Class 8 • Zinc PLated

J.I.S. fasteners have a smaller hex dimension (across the flats) than DIN or ISO metric fasteners. They fit in those tight spots where the hex or an ISO or DIN fastener is too large. J.I.S. fasteners are OEM equipment on many GM and Japanese import car applications.
